Dear Metro Cigars LLC,

The staff and Board of Milwaukee Homeless Veterans Initiative (MHVI) would like to thank you for your gift of \$5,300. Your donation will be used to fund the many programs that help our area veterans and their families.

One of our newest initiatives is the Veteran Resource Post we have created. This service grew from our expanded Food Pantry. With generous in-kind donations from Kohl's Department Stores, we added a clothing/household "store" with new items. Now, families can come to the Resource Post and access items to meet their basic needs. Instead of us simply giving them items we think they need, they are able to choose the items themselves, all for free. By connecting veterans through the Resource Post, we connect them to other services they need. In the future we will be adding a computer lab and other resources veterans can walk in and access.

The best part is when veterans come to the Resource Post, they also meet with staff who can assist them with other needs they may have. We look forward to being able to expand services like this, due in great part to donors like you.

Please know, your generosity is truly appreciated by all of us.

Thank you for helping us make sure our veterans know they are not alone.

Sincerely,

Debbie Buchanan  
Executive Director
